

Knowledge

is power at
your fingertips

Managing your business with Elavon Connect is easy. It's your own online payments control centre with instant access to your account, reports and help resources.

When you place insight, expertise and control at the heart of your business the opportunities are endless. Feel inspired?

 elavonconnect.com

Power is knowledge at your fingertips

Giving you even greater control

Elavon Connect is an online payments dashboard that gives you powerful insights into the day-to-day transactions of your business. Staying in control has never been simpler.

You can access Elavon Connect anytime, anywhere... on a computer, tablet or phone. What's more, there's no extra charge if you're an Elavon customer.

What will you value most?

- A wealth of key business information
- Intuitive dashboard design that's ultra easy to use
- Self-service tools to take control of your business
- Secure access anytime, anywhere on computers, tablets and phones

What can you do with the Elavon Connect dashboard?

Gain deeper insights

- See exactly how your business is performing, with everything in one place
- Access statements, reports and payment activities in just a few clicks
- Queries can be answered on-the-go in seconds
- Filters enable you to search through transactions by account, country, volume and more
- Download reports in the format you choose (PDF, CSV and XLS)

24/7 self-service

- Update your information and manage your security details
- Add users, such as accountants, tax advisers and business partners
- Restrict how much users can see
- If you need advice, find helpful guides, FAQ's and videos instantly
- Access relevant news, handpicked by Elavon, on everything from GDPR to Apple Pay

And there's more to come

We'll always be adding new features and content to Elavon Connect to give you the knowledge and power to grow your business. We value your feedback and our team is brimming with fresh ideas to help you succeed.

What do I need to do?
